PRESS RELEASE

ISLAMIC COUNCIL CONVEYS ITS CONCERN ABOUT BABRI MOSQUE TO INDIA'S PRIME MINISTER.

In an urgent message sent on June 18th to the Prime Minister of India, the London-based Islamic Council expressed grave concern about reports that Hindu extremist elements in India have declared that they would meet on June 23/24 to decide on the date on which to demolish the Babri Mosque and build a Hindu temple in its place.

The Council pointed out that the issue of the Babri mosque was sub judice. As such, the declaration of Hindu religious leaders to take their own decisions constitutes an arrogant contempt of court. On the other hand, the Muslim community in India had agreed to abide by the decision of the court.

The Council called upon India's Prime Minister to act urgently and determinedly in the matter and thwart the illegal and provocative actions and statements by India's Hindu zealots.
